RASADUL ISLAM
WEB DEVELOPER

LinkdIn | GitHub | Email

PROFILE

I am a passionate and detail-oriented Web Developer with a strong foundation in HTML, CSS, JavaScript, and user-centric design. Recently graduated with a degree in Computer Science and Engineering, I am keen to apply my technical skills to create responsive and efficient web solutions. I bring experience in customer service and sales, which has strengthened my communication, problem-solving, and troubleshooting skills.
